## **PASTOR'S REPORT**

Pastor Phill discussed the role of the Elders. They make contact with those who don't, or can't, attend church. There are about 60 people assigned to each elder.

Our church currently has 721 members.

A second common cup has been found so it is now possible to have the common cup on Sunday. Pastor has cleared this with the elders. He also asked for a show of hands of those wishing a common cup communion on Sunday.

Pastor spoke about our mission work. Since our budget has increased, we have been able to increase the mission budget. The variety of mission efforts are listed in the attached report.

There was discussion about investing in property near Sun City Festival. There is a piece of property available and Pulte hasn't responded to our request for information. We may go to the county to look at plot plan for that area. There is also property in Tartesso that we may explore.

Regarding the Care ministry, Nurse Carol was asked to talk about what she does. Among other things, she visits the home bound every month, does hospital visits, phones those who have been ill, and is a resource for those looking for community services.
