PORA (Property Owners and Residents Association): Crown of Life plans to participate in Vendor Event in the fall of 2019, but the date is still needed.

IV. Opportunities – 2020

Gospel of Mark Presentation: April 25, 2020 is the approved date. The presentation will replace the Saturday service and will last 2 ½ hours. Details regarding cost are still needed from Concordia.

West Valley Wind Ensemble: A smaller venue might be considered

Surprise Pop's Band: Some members attended a concert by this group. They were excellent and performed wonderful music. However, they are likely too big for Crown of Life. They will be performing at Advent Episcopal Church on May 5, 2019. Some members of outreach plan to go to see how they set up in a church setting.

C Steve Music (Country Music/Johnny Cash): Play at Birt's Bistro on a regular basis.
