From Pastor Phill

Of first importance to us as summer comes to an end is to announce the resignation of Roger Hicks, our Choir Director, after 7 years. I know you have appreciated the contributions his ministry has made to our worship, as have I. He, and Jean, will be missed. Crown needs its choir, and shortly we will begin the process of seeking a new Choir Director, which will take time. In the meantime, Holly Gast has accepted the position of Interim Choir Director. Holly has a background, education, and training in music. This will be a different season for our choir, a season to take us from where we have been to where the Lord will lead next. Holly and the choir will begin practices this month of September, and we should hear from them soon.

Schole, the home school group that meets once weekly on our campus, returns on September 9, Thursday, a new day for them. They have moved from Mondays to accommodate our Women's Bible Study in the Parish Hall on that day. The parents of those Schole students, there are about 50 of them, each take a subject and grade level to teach, and it really is a team and family effort. You will remember Elders and Council approved their presence on campus a year ago, and now begins another academic year. Schole is a nationwide movement of Christian home-schoolers, and we welcome them back.

Here is a teaser on another subject, a full announcement coming soon: Holly is arranging a Shredding Event, utilizing a truck mounted shredder, in October. She has been sorting and organizing, and has many boxes of ancient records of which to dispose. The plan is to invite your shred-able stuff too, and combine it with an ice cream social or some such Lutheran church activity. Sounds like a great combination, doesn't it?

The "social" part of that is in the hands of the Assimilation Team, which has begun meeting after so long a hiatus. They are working on outings and activities, again, a return to what used to be normal.

And what if normal falls apart again? We, like you, continue to monitor the Covid situation locally. If there is a tremendous turn for the worse in cases (currently about 2000/day in our county of 4 ½ million people) we can return to the precautions of a year ago, masks, distancing, etc. For now, we feel as though our parish continues to be a safe haven in a crazy world.

Adopt-a-Chap

by Pastor Gary

“Adopt-a-Chap”. Now there’s an interesting name. The LC-MS has recently begun a program whereby local congregations can adopt a military chaplain to provide prayers and support to during their military service. As I first read about this I thought why not Crown of Life. The program pairs a chaplain directly with a congregation. Once the relationship between the chaplain and the congregation is established, the congregation is to keep the chaplain and his family in prayer.

Crown of Life has chosen Chaplain Charles Mallie. Chaplain Mallie is a Navy chaplain stationed aboard the U.S.S. Nimitz. He is married and has 3 children ages 8, 13, and 17. Please keep Chaplain Mallie and his family in your prayers.

If you wish to share an email with Chaplain Mallie, his e-mail address is: bluewaterhunter@earthlink.net

If you wish to send a card or greeting to Chaplain Mallie his mailing address is:

As a young adult (we were young once, remember?) living outside Chicago, Labor Day always left me with a sinking feeling. Not far behind Labor Day the leaves began to turn and fall. My dad would put a rake in my hand and those leaves, piled up on the front lawn, would go into the wheeled wire basket for burning. I liked the smell of that smoke, never thought about air pollution. Maybe life was simpler then.

The real problem I had with Labor Day was not that raking labor on a Saturday morning, but the certainty of the snow flying in just a few months. Not so here. Labor Day here is an opportunity to thank God for having given us such a wonderful place to live our lives and worship Him. Great weather follows Labor Day, nothing threatening at all. Great seasons of the church follow Labor Day too, Reformation, Thanksgiving, Advent, Christmas, all occasions to offer thanks to God for His continued blessings. Our parish is blessed by you being a part of it. Let’s not forget to bless God for all He does for us.

Pastor Phill

Thoughts from Pastor Gary

One wealthy man, whose hobby is collecting valuable antique books, especially Bibles, was reported to have paid \$150,000 for an original 1640 Bay Psalm Book. Rare, historic copies of the Bible, or parts of it, have commanded prices running into the millions.

The true value of the Bible, however, cannot be calculated in terms of dollars and cents. While some people value a given copy of the Bible because it is old, or because of its history, or because they love its poetry and prose or the noble language, the true value of the Holy Scripture lies in its message. The Bible is the Word of God – His ordinances and His promises of salvation. Of them the psalmist declares, “They are more precious than gold, than much pure gold; they are sweeter than honey, than honey from the comb” (Ps. 19:10).

The teachings of the Bible meet human needs, especially the greatest needs of all: to be at peace with God and to have His promise of forgiveness and of life eternal. The Scripture is very plain in this respect, always bearing witness to Jesus Christ. He is the one who, by His obedient life, death, and resurrection, procured life, here and hereafter, for all people and conveys it to all who believe in Him. The Bible, having shown us the way to heaven, also shows us the right way to live in this world.

This precious Book, telling us about the precious Savior and Lover of our souls, is meant for all. It deserves to be read by all because of the Good News it conveys. It is truly the “Jesus Book,” offering us His love. Thus children (and we) sing, “Jesus loves me, this I know, for the Bible tells me so.”

Take some time today and every day to open your Bible and see just how much Jesus truly loves you. It will be time well spent.

New Share A Meal Ministry at Crown of Life

Introducing Share A Meal Ministry..... a new ministry here at Crown of Life, with the goal of reaching out and providing some help (in the form of delicious meals) to those members that need a little assistance.

In this last year and a half, and before, we have seen the need for help by many of members. It might be a need for a few meals after a surgery, after a loss in the family, or even just to get them back on track to good eating. And we have the ability to fill this need, in fact, over the years, many of you have already been doing this....

Starting immediately, our ministry will be able to provide up to 3 meals (accommodating any one's particular food challenges). It might be a main meal, salad and dessert; or a pickup from Kentucky Fried Chicken or Arby's or Panera (not a commercial) with a delivery to the home. It might happen over a week, it might happen within 3 days...whatever works for the receiver.

We will work with our Pastors, the Elders, Holly, and any of you that know or hear of a need by one of our flocks. Just give a call to Marilyn Goodnight (623.444.7551) or Kathy Beilstein (623.523.3156), let them know the name and contact info for the person that is in need. We'll take care of the rest.

For those of you interested in participating by sharing your culinary talents (that might be a favorite casserole that your family loves, or in the form of pick-up and delivery from your favorite restaurant, please give either Marilyn or Kathy a call to get your name on the list. We will be providing a very detailed 'how to' to make it easy.

"Instead of each person watching out for their own good, watch out for what is better for others." Philippians 2:4

Members will be able to view and purchase the quilts during church office hours or before and after weekend worship services.

Women in Mission

By Rita Grover

As the summer starts to wind down, we are mindful of the constant blessings God has provided, and continues to provide, for us. Along with His providing for us, we in turn reach out to others who are in need. Our prayer is that we are always aware of the needs of others, physically, mentally, and especially spiritually. Here at Crown of Life our ladies have many chances to share the Love of Jesus with others. We will celebrate these opportunities on the Weekend of October 9 and 10. All of the women of the church are invited to be ushers and greeters. If you are able to help out that weekend please email Rita at Rigrover1@aol.com

The Stitchers have been very busy over the summer. We're still making plarn (from donated, recycled plastic grocery bags) and turning it into sleeping mats for the homeless. There have been many baby booties, sweaters, onesies, and blankets donated to Choices Pregnancy Center and Arizona Faith and Families (in Peoria). We continue to meet on Tuesday mornings at 9:00 a.m. in the Parish Hall. Please plan to join us! Questions? Contact Lola at lolaleshney@yahoo.com

Please be aware of other upcoming events:

Christ Caring for People Through People

By Ken Grover, Stephen Ministry

"Encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5:11

What is Stephen Ministry?

Stephen Ministry is a way congregations can deepen and expand their caring ministry by training a team of lay caregivers to help Pastors provide that care. Stephen Ministers are congregation members who are trained to provide one-to-one care to people experiencing various life difficulties. This is the kind of care Pastors want to provide and try to provide - but they cannot do it alone. There are simply too many people that are in need of care for Pastors to provide the care that everyone needs.

Since 1975, more than 11,000 congregations have found the solution- Stephen Ministry. These congregations are of all sizes and types. They come from all across North America and beyond and represent more than 150 Christian congregations. Stephen Ministry works so well in so many situations because all congregations have two things in common, regardless of size, location, or makeup:

First, at any given time, every congregation and community has people who are going through tough times and could really benefit from quality Christian care.

Second, every congregation has people with gifts for caregiving who, with training and support, could do an excellent job of providing that care.

Stephen Ministry provides congregations with a very effective way to bring together people in need of care - with people who are well equipped to provide that care.

May God continue to Bless, Guide, Protect, and Keep you in His amazing Grace.

Contact Pastor Gary 623-546-6228 or Dee Harries (Referral Co-Ordinator) 785-562-6801.

"Bear one another's burden, and this way you will fulfill the law of Christ."

THE LORD

LET US REJOICE TODAY
AND BE GLAD.

PSALM 118:24

Thank you to Pastor Phill for the phone call of condolence while we are in Arkansas dealing with the loss of our son Steven. Thank you all for the cards, letters and phone calls. The love the church has shown us is really appreciated.

Ladies Bible Study

by Darline Vanderwerf

On Monday morning, August 2, the Parish Hall seemed quiet and unoccupied, but soon ladies began to enter through the courtyard doors, and the sounds of talking and laughing filled the air. Other ladies joined by Zoom and began greeting one another. We had received a message from Pastor Phill, saying, "And so you begin!" And so, we did! It was so special. We were back!

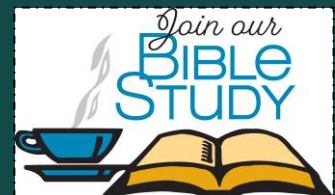

The lesson was the last in a series, but I could tell that many thoughts and even questions were directed toward our new series which began August 16, **"THE SEARCH FOR OUR NEW HOME—HEAVEN!"**

As the lessons open, we begin a journey. Along the way, we discover some troubles and tribulations, but we also see great and wonderful things. And as we get closer, the way gets brighter.

If you would like to take this journey with us, you can begin on any Monday morning at 9:30 am. You can visit, or you can plan to join us for the remainder of the journey. Don't be concerned about any lessons you may have missed. You do not need to call or register to come; we will meet you as you come through the door.

There are three ways in which you can join this Ladies' Bible Study. 1) in-person in the Parish Hall, 2) on Zoom if you cannot come to Crown of Life, 3) by recording.

If you have questions email (vdarlinev@aol.com), text (623-521-5454) or call (623-544-4038) Darline Vanderwerf. We look forward to greeting you.

Jesus, Our Role Model and Perfector of our Faith

Christine Escobar, GriefCare Coordinator

Jesus said, *I have said these things to you, that in me you may have peace. In the world, you will have tribulation. But take heart; I have overcome the world.* (John 16:33)

In times of trouble and suffering, God provides comfort through the support of others.

Ecclesiastes 4:9-10 states, *Two are better than one because they have a good reward for their toil. For if they fall, one will lift his fellow. But woe to him who is alone when he falls and has not another to lift him!*

If you are grieving the death of a loved one, please join us for our fall GriefCare group. We will hold our first session, ***Is This Normal?* Wednesday, September 8, from 9:30 to 11:30 a.m.**, in the Chapel. (We will provide refreshments.)

We will meet in person. All our facilitators and most of our community are vaccinated. However, the Covid-19 virus and its variants are still in the community. We urge our participants to be sensitive, humble, and compassionate to those who have compromised immune systems or are caring for or in contact with loved ones who have compromised immune systems. Please wear masks and physically distance if you feel that keeps you and others safe. We will sanitize the Chapel and have hand sanitizer available.

As Paul implores in Philippians 2:1-4: *If there is any encouragement in Christ, any comfort from love, any participation in the Spirit, any affection and sympathy, complete my joy by agreeing, having the same love, being in full accord, and of one mind. Do nothing from selfish ambition or conceit. In humility, consider others more significant than yourselves. Let each of you look not only to his interests but also to the interests of others.*

Please call Christine Escobar at 623.218.6793 or email griefcare@colchurch.com for more information and to register for these sessions.

Daily Bread

By Kathe Schmidt, Prayer Team

When the disciples asked Jesus to teach them how to pray, He included the petition "Give us this day our daily bread" in the Lord's Prayer. That speaks to the importance of daily sustenance for our lives. God provided not only manna to His people in the wilderness when they asked Him for food, but their shoes and clothes did not wear out during their wandering years.

Through the vast experiences in the days of our lives we, as God's children, have come to understand that our loving Father takes care of every need, simply by asking it of Him. He knows, but wants to hear what is most important to us; and Jesus left no doubt about that when he said "seek first His kingdom and His righteousness, and all these things will be given to you as well." He truly takes care of all His creatures. Birds find their own seed; bees drown in the nectar of magnificent cactus blooms. Even the scrawny rabbit in our yard is surviving without my lettuce bits. To us city folk who don't grow our own food any more, God supplies storehouses filled with goods. I find it's a good idea to keep a spare can of coffee handy before running out, and replenishing soap products and paper goods, but storing things past their expiration date is as foolish as the farmer who decided to build an extra barn to store his riches to live happily ever after.

Our wellbeing and contentment proceed from sharing God's bounty because He enjoys a cheerful giver. There is no way we can ever outspend our Faithful Provider. Praise God from whom all blessings flow!

Thoughts and Prayers

We celebrate the victory won for all the faithful dead, but we grieve for our beloved as well, knowing that God honors our tears.

Meet Cathy Meyer

Cathy Meyer is the new Assistant Church Administrator at Crown of Life Lutheran Church. Cathy moved to Sun City West 2 years ago after living most of her life in the Auburn, Washington area. She loves serving the Lord in a number of church ministries including altar guild, card ministry, mission board, ushering and worship technical support.

Cathy enjoys gardening, and is slowly learning the challenges of growing in the desert. She also enjoys walking, crafts, working on DIY projects around the house, and hopes to do some traveling. Her latest challenge is training her 3-month-old Cockapoo puppy Tully.

The 'Dog Days of Summer' and your Council still at work

By Mike Krischler, President

Here we are more than halfway through summer and this year's wet monsoon season. Hopefully we'll continue to catch up on our water deficit without any severe weather and our members who are spending the summer locally are enjoying the extra rain this year.

While the Council routinely does not meet during the summer, work continues on the various parish administration tasks necessary to keep our church functioning smoothly. That said, when needs arise the Council is called into session to review and make decisions on behalf of our members. Most recently the Council met on August 17 to consider various matters, the highlights of which are:

- Pastor's and President's reports on various church administration related matters
- Board of Trustees' bid proposals for parking lot seal coating
- Treasurer's report on the status of COL accounts with various financial institutions
- Board of Trustees' report on completion of roof repairs
- Progress of Nominating Committee's work to fill the slate of candidates for November Voters Meeting
- Updates on several Human Resource related items

The detailed minutes of this and all Council meetings are available on the church website should you desire more detailed information. I or any member of the Council would welcome your inquiry and be happy to answer any questions.

Please continue to keep your parish leadership in your prayers, travel safely back to Arizona, and as always let me or any member of your Church Council know if you have any questions or concerns.

Flower Committee

by Florella Denzin

September, the month of golds, reds, oranges, and browns. I have a suncatcher leaf saying "Let Go Let God."

Since my July lumbar back fusion, I have a new mantra: BLT= Do Not Bend, Do Not Lift over 5 pounds, Do Not Twist.

There is BLT, Bacon, Lettuce, Tomato Sandwich we all know. These letters could mean our Big and Little Trials leading us to Trusting God more, For me, trusting God for my healing strength which He is providing with my COL family prayers. I truly appreciate these. My reacher is my earthly "buddy" for floor items and even getting dressed. Sometimes another "buddy" is the walker or Jerry's hand. Allow Jesus to be your "buddy" in the Big and Little Trials in your life. Hold His Hand and Trust Him.
